

Please join PAFP and the Reading Health System for an exceptional combined educational and social event. This program offers outstanding quality programming in various formats that'll appeal to the most discerning learner, with hands-on learning and take-home tips that can be implemented immediately in your practice. A special thank you to the Caron Foundation, our prime sponsor, for their expertise and guidance navigating substance abuse, MAT and dependency treatment pathways. A KSA Study Group (formerly known as SAM) on Congestive Heart Failure is scheduled for Friday, November 17 at 8:45 AM – 2:00 PM.

After sessions, you'll enjoy what we have in store at the PAC fundraiser at the Santander Center on Friday, and on Saturday evening, a Reading Dine-Around is on the menu featuring stops at various local establishments as you work your way through a progressive fare feast.

Over 12 hours of Patient Safety credit and over 20 overall credits available at this memorable weekend with friends and colleagues waiting for you in Reading.
