

2022

PAFP's Annual Corporate Sponsorship & Exhibit Prospectus

**TOGETHER, WE CAN
STRENGTHEN AND
PROTECT THE
FUTURE OF FAMILY
MEDICINE.**

www.pafp.com

Hello!

With more than 6,000 members and stakeholders, the Pennsylvania Academy of Family Physicians is the only organization in the state that represents the specialty of family medicine. This esteemed group of family physicians cares for millions of patients each year and must stay up-to-date on practice opportunities, emerging technologies, infrastructure and treatment protocols relative to their individual practice needs.

The variety of annual and event-specific opportunities on the following pages offer exceptional ROI and recognition. Consider your involvement an investment in the future of patient care.

Elevate your company's visibility!

Market to a diverse network of family physicians and primary care providers. When you become a sponsor with PAFP, your business will:

- Gain valuable exposure at high-profile events throughout the state
- Reach targeted key audiences and decision makers
- Foster new business relationships

Our team would love to work with you to understand your marketing priorities and how we can best meet your needs. If there are specific packages or opportunities that you do not see included here, please reach out so we can discuss!

Janine M. Owen

Chief Education Officer and Deputy Executive Vice President

WHAT IS THE PAFP?

The Pennsylvania Academy of Family Physicians and its Foundation are dedicated to advancing quality health care through advocacy, education, workforce development, and commitment to the patients we serve. For more than 70 years and with over 6,000 physician, resident and student members, the physician-led Academy and its Foundation's core values are visionary leadership, integrity, and community.

The Pennsylvania Academy of Family Physicians is a 501(c)(6) organization. The Pennsylvania Academy of Family Physician Foundation is a 501(c)(3) organization.

THE PAFP'S VISION

Pennsylvania Academy of Family Physicians and its Foundation will be viewed as (a) the leading influential resource among family physicians and physicians in training in Pennsylvania, (b) the primary voice on health care issues with state legislative and administrative branches of government, media and professional health organizations, (c) a benchmark state on the national level; (d) setting the standard for organized medicine and (e) the leader on health care issues in the community.

THE PAFP'S MISSION

PAFP is a physician led organization committed to advancing quality health care for all Pennsylvanians through advocacy, education, and community for all of our members.

**Please join our efforts to advance quality
health care for all Pennsylvanians.**
