## LIFE AFTER RESIDENCY DINNER

**Friday ■ 6-8 pm**

**Residents:** Network and learn survival tips about securing your dream first practice post-residency. Navigate the stormy waters of physician recruiters, contract negotiations, personal finance. Early-career physicians, finance & legal experts, plus friendly physician recruiters on hand to answer even the most awkward questions without judgement and help ensure your smooth sailing!

## Research Day

**Saturday / 11 am-4:45 pm**

Residents, students, fellows, faculty and community physicians convene annually at PAFP Research Day to promote their original research, quality improvement and community/public health outreach projects. Oral presentations run concurrently with CME sessions; poster sessions run during refreshment/exhibitor breaks, allowing the CME audience to earn credit reviewing posters. Prizes are awarded to the strongest oral presentations and posters. Come for the networking and collegial support, stay to celebrate the many ways the family medicine community positively impacts health and wellbeing in Pennsylvania! Awards presentation and reception at 4:45pm.
