Authors: Daryoush Shahin MD, Weiyu Lu DO, Benjamin Wenger DO, Hira Ahmed DO, Maha Barnes MD, Gregory Dobash MD

**Presenter:** Bridget Smith, DO

*St. Luke's University Health Network*

#10

### **Elective Choices and the Master Adaptive Learning Framework in Family Medicine Residency Training**

Authors: Shayna Blikshiteyn, Karla Felix, PhD, Drew Keister, MD, Susan Matheiu, MD, Lynn Wilson, DO, FACOFP, FAAFP, AGSF, DipABLM

**Presenter:** Shayna Blikshiteyn and Karla Felix, PhD

*Lehigh Valley Health Network*

#11

### **Implementing an Integrated PrEP Pathway into Electronic Medical Record (EPIC) throughout Penn Ambulatory Sites**

Authors: Jacob Nair, MD. Ewen Liu, MD. Harrison Goodall, MD. Jamal Moss, MD.

**Presenter:** Jacob Nair, MD and Harrison Goodall, MD

*Penn Family Medicine*

#12

### **Improvement in Primary Care: Increasing PHQ screenings with staff education in primary care.**

Authors: Weber Wu, Qiraat Aslam, Nadia Feroz, Ejazul Haque, Mia Terrana, Fnu Sanjana, Jessica Fanelli, Jiazeng Ge

**Presenter:** Qiraat Aslam, MD and Nadia Feroz, MD

*Geisinger*

#13

### **Increasing HPV Vaccination Rates in Ages 9–45 through Visual Physician and Patient Education in a Family Medicine Residency Continuity Clinic**

Authors: Shannon Coyne DO, Michelle Pacyna DO, Hamda Memon MD, Fnu Komal MD, Daniel Kruglyak DO, Jade Evenstad MD, Jason Woloski MD

**Presenter:** Hamda Memon, MD

*Family Medicine Residency- Geisinger Wyoming Valley*

## Quality Improvement (continued)

#14

### **Let's SOOAR into a Central Location**

Authors: Wolfut Fazli, MD; Lisbeth Lopez, MD; Vivian Concepcion, MD; Graciela Dibra, MD; Phia Martinez, MD; Krizia Ong, MD; Rehab Tabchi, DO

**Presenter:** Wolfut Fazli, MD and Lisbeth Lopez, MD

*St. Luke's Sacred Heart Family Medicine Residency*

#15

### **Moving The Needle: A Quality Improvement Approach to HPV Vaccination in Adult Men**

Authors: Vandhana Reddy, D.O.; Amanda Jones PsyD

**Presenter:** Vandhana Reddy, DO

*Jefferson Einstein Montgomery Family Medicine Residency*

#16

### **OMT As a Tool for Mental Wellness: Therapeutic Intervention for Psychiatric Disorders**

Authors: Misleidi Rios-Rodriguez, DO; Alexander Capellan-Moronta, DO; Arghyadeep Sarkar, DO; Tu Le, DO; Patricia Donovan, DO

**Presenter:** Okezia Cole, DO

*St. Luke's Bethlehem Family Medicine*

#17

### **Screening Improvement for Glycemic & Hypertensive Targets (SIGHT): A Quality Improvement Study to Enhance Screening Compliance in Adults with Type 2 Diabetes and/or Hypertension**

Authors: Prashant Bashyal, MD; Khadija Nasim, MD; Maria Rodriguez-Ramirez, MD; Sampriti Thapa, DO; Shana Uvaydov, MD

**Presenter:** Salman Khurshid Imami, MD

*Jefferson Einstein Montgomery Family Medicine Residency Program*

#18

### **The Penn Family Care Pap Project: A QI Project to Increase Pap Smear Follow Up**

Authors: Resident authors: Camara Perkins, MD MPH; Brenly Rowland, MD; Zoe Ruhl MD; Gabriele Ruzgas, MD; Faculty authors: Margaret Baylson, MD MPH; Melissa Donze MPH; MaryAnne Peifer MD; Rebecca Simon MD

**Presenter:** Gabriele Ruzgas, MD and Camara Perkins, MD

*University of Pennsylvania Family Medicine Residency*

#19

### **Validating Screening with HPV Self-Swab vs Physician-collected Pap**

Authors: Anja Landis MD, Kevin Mathews DO, Zehra Faisal MD, Sam Gallant DO, Ayesha Shah DO, Thomas Brouse MD

**Presenter:** Christopher Hsu, MD

*Geisinger Family Medicine Northeast*

## Quality Improvement (continued)

#20

### **Work Smarter, Not Harder: Responsible use of ChatGPT in Family and Community Medicine Residency Training**

Authors: Cayra Ramirez Santiago, Christopher Heron, Gretchen Maurer, Angie Morrison

**Presenter:** Cayra Ramirez Santiago, MD

*Penn State Health Mt Nittany FMR*

## Case Presentation

#21

### **From Air Leak To Ear Pain: An Unusual Presentation Of Delayed Recurrent Pneumothorax Following Blunt Thoracic Trauma**

Authors: Abimbola Awe, MD, Jeanne Spencer, MD, Funmilola Babalola, MD, MBA, Anju Beesetty, MD.

**Presenter:** Abimbola Awe, MD and Anju Beesetty, MD

*Conemaugh Memorial Medical Center*

#22

### **Steroid-Refractory Encephalitis After Pembrolizumab Therapy in Microsatellite Instability–High Prostate Cancer**

Authors: Anju Beesetty, MD, Funmilola Babalola, MD, MBA, Awe Abimbola, MD, Monika Kusuma Pringle, MD

**Presenter:** Anju Beesetty, MD and Funmilola Babalola, MD, MBA

*Conemaugh Memorial Medical Center*

#23

### **A Nightly Pour, a Dangerous Fall: a case of daily alcohol use for insomnia preceding a traumatic intracranial bleed**

Authors: Olivia Choi, DO

**Presenter:** Olivia Choi, DO

*Temple Chestnut Hill Family Medicine*

#24

### **PPI-Induced Hypomagnesemia: A Silent Culprit in Chronic Symptoms**

Authors: Author: Endeshaw Habtesilassie, MD, co-author: Daniel Dever, MD

**Presenter:** Endeshaw Habtesilassie, MD

*St Lukes Hospital-Sacred Heart Campus*

#25

### **Seeing Without Seeing: A Case Report of Charles Bonnet Syndrome**

Authors: Eric Herrmann, DO; Matheus Moreira Sanches Peraci, DO; Susanna Evans, MD, FAAFP, DipABLM

**Presenter:** Eric Herrmann, DO and Matheus Moreira Sanches Peraci, DO

*Temple NW Family Medicine*

## Case Presentation (continued)

#26

### **Mpox-Associated Proctitis in a Patient with Well-Controlled HIV: A Case Report**

Authors: Sai Harsha Bobba, MD

**Presenter:** Mousumi Khanam, MD

*Conemaugh Memorial Medical Center FMR*

#27

### **Sweet Tea to Sweet Success: Exceptional Diabetes Remission Through Dietary Dedication**

Authors: James McJimsey, DO

**Presenter:** James McJimsey, DO

*York WellSpan Family Medicine*

#28

### **When Old Scars Speak Anew: A Case of Delayed Cranial Neuropathy**

Authors: Andre Montes Colon, MD, Yvonne Velez Serrano, MD

**Presenter:** Andre Montes Colon, MD and Yvonne Velez Serrano, MD

*St Luke's Hospital Network Sacred Heart Campus*

#29

### **Mild Obstructive Sleep Apnea as an Overlooked Cause of Growth Failure**

Authors: Shailee Patel, MD and Richa Sharma, MD

**Presenter:** Shailee Patel, MD and Richa Sharma, MD

*St. Luke's Bethlehem Family Medicine Residency*

#30

### **Delayed Recognition of Hydralazine-Induced Lupus with Overlapping ANCA-Associated Vasculitis**

Authors: Bhavana Patil, MD; Alexander Tejada, DO; Matheus Moreira Peraci, DO; O'malley, Kaitlin, MD

**Presenter:** Bhavana Patil, MD and Alexander Tejada, DO

*Temple Northwest Family Medicine Residency*

#31

### **Physical Manifestation of Depression: Chronic Constipation Leading to Reversible Hydronephrosis in a 16-Year-Old**

Authors: Mislleydi Rios Rodriguez, MS, DO; Nguyet-Cam Vu Lam, MD, FAAFP

**Presenter:** Mislleydi Rios Rodriguez, DO

*St. Luke's Bethlehem Family Medicine Residency*

#32

### **A Rare Presentation of Chronic Dizziness**

Authors: Riddhi Thaker-Jani/MD

**Presenter:** Riddhi Thaker-Jani, MD

*Jefferson Einstein Montgomery Family Medicine Residency*

## Case Presentation (continued)

#33

### **Wake Up Call: How Undertreated OSA Can Lead To Multisystem Morbidity Despite Therapy**

Authors: Tina Thomas, MD Resident Physician; Rabia Bajwa, MD DAASM

**Presenter:** Tina Thomas, MD

*Indiana Regional Medical Center*

#34

### **Mrs. Met And Her Unintentional Losing Streak**

Authors: Suzanna Tom, MD; Andrew Berta, MD

**Presenter:** Suzanna Tom, MD

*Temple Chestnut Hill Family Practice*

#35

### **Tirzepatide and Acute Renal Failure Requiring Dialysis, A Case Report**

Authors: Phillip Zacco DO, Krishna Patel DO

**Presenter:** Phillip Zacco, DO and Krishna Patel, DO

*Penn Medicine, Chester County Family Medicine Residency*

#36

### **Reading Between the Lines: Recognizing and Differentiating Splinter Hemorrhages in Primary Care Clinical Practice**

Authors: Lydia Bothwell and Courtney Humphrey MD

**Presenter:** Lydia Bothwell, N/A

*Lewis Katz School of Medicine*

## Innovative Curriculum Design

#37

### **Creation of a Street Medicine Curriculum**

Authors: Gregory Dobash, MD, FAAFP, FAWM, FASAM; Thomas McGinley, MD, FAAFP

**Presenter:** Gregory Dobash, MD, FAAFP and Thomas McGinley, MD, FAAFP

*St Luke's Rural Family Medicine Residency*

#38

### **Lifestyle Medicine Nutrition Curriculum Impact on Family Medicine Resident Knowledge, Confidence, and Counseling Performance**

Authors: Luana Borges, MD; Tito Mantilla, MD

**Presenter:** Luana Borges, MD

*Jefferson Einstein Montgomery Hospital's Family Medicine Residency*

#39

### **The Role of AI in the doctor-patient relationship: a coping review protocol**

Authors: Renata Carneiro, PhD & Michael Scholl, MD

**Presenter:** Renata Carneiro, PhD and Michael Scholl, MD

*Bethlehem Family Medicine Residency Program St. Luke's University Health Network*

## Traditional Research Design

#40

### **Association of Clonidine on Menopause Symptom Control compared to Hormone Replacement Therapy among Peri- and Postmenopausal Women: A Retrospective Cohort Study**

Authors: Austin Wright, BS; Jason Yan, BA; Rahul Kashyap, MBBS, MBA, FCCM

**Presenter:** Ilana Mereminsky, BS

*Drexel University College of Medicine*

#41

### **Comparative Risk of Dehydration-Related Outcomes in Wrestlers and Runners: A Retrospective Cohort Study**

Authors: Meghan Hartman, B.S., Priya Devanarayan, B.S., Cameron Coakes, B.S., B.A., Francesco Satriale, M.D., Ashley Sturts, D.O., Caitlyn Haines, M.D.

**Presenter:** Meghan Hartman, B.S. and Priya Devanarayan, B.S.

*Penn State College of Medicine*

#42

### **Connection between Sleep Disturbances and PTSD: a review of the literature**

Authors: Busra Turkyolu, B.S., Shailee Patel, MD, and Renata Carneiro, PhD

**Presenter:** Busra Turkyolu, BS and Shailee Patel, MD

*Temple St. Luke's School of Medicine*

#43

### **Wellness Among Medical Students: Assessment & Interventions**

Authors: Jessica Loechli, B.Sc & Renata Carneiro, PhD

**Presenter:** Jessica Loechli, B.Sc and Renata Carneiro, PhD

*Temple St. Luke's School of Medicine*
