

Thank you to all for joining us in Dewey Beach!

Representatives will be present!
Please stop by and say hi and thank them for their support.

Allegheny Health Network

www.ahn.org

Allegheny Health Network (AHN) is a blended healthcare organization providing patients with exceptional healthcare for over a century. As a Blended Health organization, we are forging innovative solutions and key partnerships to help transform the health experience of our customers in remarkable ways. AHN's innovative approach ensures that patients receive top-notch care close to home, supported by 14 hospitals, over 250 healthcare facilities and 3,000+ physicians.

Cloud Audiology

[Cloud Audiology | Hearing Care for Primary Care Practices](#)

Cloud Audiology was founded to exponentially expand access to hearing testing and to improve patient treatment and outcomes by providing an in-house, billable diagnostic tool for Primary Care Providers.

Our turnkey model makes it easy to identify hearing concerns earlier, create a new revenue opportunity for your practice, and connect patients to the right follow-up care through our coordinated referral platform.

[Exact Sciences | Cancer Testing Products and Services | Abbott U.S.](#)

"Exact Sciences is now Abbott, bringing our leading portfolio of cancer screening and diagnostics tests to the most diversified company in health. Our solutions help patients and healthcare providers make timely, informed decisions before, during and after a cancer diagnosis. Our growing product line includes well-established brands such as *Cologuard* and *Oncotype DX*, along with innovative solutions like the *Cancerguard* test for multi-cancer early detection and the *Oncodetect* test for molecular residual disease and recurrence monitoring. We continue to invest in a robust pipeline of advanced diagnostics aimed at improving outcomes. For more information, visit ExactSciences.com"

First National Bank

[First National Bank: Serving PA, OH, MD, DC, VA, NC, SC, WV](#)

[Guthrie](#)

We are proud to be a physician-led organization that prioritizes patient-centered care. By joining our team, your expertise is valued, your care is rewarded, and you experience a perfect blend of professional growth and personal commitment.

At Guthrie, we serve the beautiful Finger Lakes Region of New York and Northeastern Pennsylvania. With six hospitals and 76 regional offices in a 13-county service area, our team of nearly 1,000 Physicians and Advanced Practitioners provides more than 2 million patient visits annually.

[Sleep Apnea Treatment | Inspire® therapy](#)

Inspire Medical Systems offers an Obstructive Sleep Apnea treatment for those unable to use CPAP. Our revolutionary technology is the first and only FDA approved obstructive sleep apnea device that treats the root cause of sleep apnea by working inside the body. The Inspire system is implanted during an outpatient procedure and uses mild stimulation to keep the airway open during sleep. Patients turn on/off and adjust the therapy with a handheld remote. Inspire therapy has broad commercial and Medicare coverage, with over 1300 clinics managing 75,000+ patients. Inspire has proven long-term sustained results with 91% patient satisfaction.

[Jefferson + LVHN | Lehigh Valley Health Network](#)

Family medicine is at the heart of what we do. Jefferson Health, nationally ranked as one of the top 15 not-for-profit health care systems in the country, is dedicated to providing high-quality, compassionate clinical care for patients; making our communities healthier and stronger. We connect clinical care, education and research across 33 hospital campuses and more than 700 outpatient and urgent care locations throughout Pennsylvania and New Jersey.

[Merck | Home](#)

At Merck, known as MSD outside of the United States and Canada, we are unified around our purpose: We use the power of leading-edge science to save and improve lives around the world. For more than a century, we've been at the forefront of research, bringing forward medicines, vaccines and innovative health solutions for the world's most challenging diseases.

Patient First[®]

[PATIENT FIRST](#)

Since opening our first medical center in 1981, Patient First's vision has remained the same: making access to quality medical care as convenient and cost effective as possible. To achieve this objective, we have adopted and continue to embrace many innovative operating systems and practices. Founded by a physician, Patient First is the leading urgent and primary care provider in the mid-Atlantic region, with 70+ locations in Virginia, Maryland, Washington DC, Pennsylvania, and New Jersey. We provide a supportive family atmosphere so you feel comfortable while providing care to so many others.

We're actively recruiting for board-certified and board-eligible Family and Internal Medicine physicians to join our team. We offer full-time and part-time employment statuses. Full-time status include a generous compensation package with health insurance, vacation, and CME benefits. Learn more.
